Building Strong Relationships with CCCU

Deshay B., a retired CT Scan Technician from UMC, has relied on Clark County Credit Union to listen to her financial needs and provide the products and services that support her life.

Deshay, a born and raised Las Vegas, joined CCCU in 1998. “We had fallen on hard times, and realized our bank was not providing the service we needed,” she said. A short time later, Deshay joined Clark County Credit Union through an employee benefit fair at her hospital. “The people at CCCU make things so much easier,” she said. “The relationships at the credit union are stronger.”

Since joining, Deshay has financed three vehicles with CCCU and used our Members Auto program to find the perfect cars for her family. She said, “It was easy – I told them what I wanted and then the next thing you know, they called saying my vehicle was here.”

With each purchase, she says the Member Auto experience has been above and beyond. “My husband, Stacey, recently needed a vehicle and CCCU found one in New Mexico that met his needs. Lindsey, our CCCU Financial Service Representative, coordinated everything! Even to this day she is still working to make sure we are satisfied.”

Both Deshay and Stacey are beyond satisfied with their experiences at CCCU. "I recommend CCCU because of the ease of everything. They worked with me even with my not so perfect credit, and whenever I go in, the tellers are super friendly and it's like family," said Deshay.

When asked about her favorite CCCU products, Deshay said she likes the ones that help her save. "I would recommend the Vacation and Christmas Club accounts," she said. "The Christmas Club helped me save money for gifts, and I even had my sister do the same. We are always prepared for the future."

Thank you Deshay and family for your membership with Clark County Credit Union. We are proud to be a part of your future plans!

CCCU Helps Clean Up a Historic North Las Vegas Park

CCCU Cares, our team of volunteers, participated in the United Way's annual Day of Caring earlier this month. This one-day event promotes volunteerism in the local community with nonprofit events all over the valley.

Our project, coordinated by Get Outdoors Nevada, was a neighborhood cleanup in a historic North Las Vegas park. Our team focused on the removal of trash and desert debris in this local neighborhood. In total, over 450 volunteers across Southern Nevada were able to complete 34 projects at 22 nonprofit agencies.

The CCCU Cares Committee is committed to finding service projects to support the communities we serve, especially with so many in need during these difficult times.
